FINAL Peer Review Report Bristol Bay with USFWS highlights & comments.pdf

DELIBERATIVE

Kate – Phil is sending me an updated, clean copy which I will forward to you and post on Quicqr. I am attaching the copy I have with changes noted. They are ready to “press the button” and post it on their website when we tell them to. It will be dated 2013, so we need to change the reference date in our assessment.

Hi Sheila,

Can you send me Phil’s updated report? I don’t seem to have a copy (or at least have no idea where it is...)

Thanks! Kate
